CWD Rally February 4th

USP Rally in Harrisburg at the main Rotunda of the Capital on Monday, February 4th from 10:30 a.m. to 11:30 a.m. It is imperative that we have a large group of people at the rally on the front steps with the news media and the State Legislators for the cameras. The rally is to garnish as much support as we can in fund raising for our contract we signed with Doctor Frank Bastian and LSU for the dreaded Chronic Wasting Disease (CWD), which is also connected to Mad Cow disease in cattle and Jacob disease in "HUMANS".

This disease is attacking our deer herd in Pennsylvania and across many states in the United States and is in the elk herd in South Dakota. Anyone attending the CWD rally at the capital will receive a voucher that will entitle them to get a one year USP membership or a one year extension on their membership for \$10 plus 10 free tickets for the Cross Forks Raffle in 2019 that must be turned in at the USP Booth (Fishing Hall, Booth 2724) at the Harrisburg NRA Outdoor Show. Please go to our website: gousp.org to learn more and join us in the battle. Thank You, The CWD Committee of the USP.
